Correspondence: An email was sent by Nellist to Tim Sheffer about the poor quality of the tether ball ordered from his company. Sheffer responded saying he sent the concern to the manufacturer and said the manufacturer suggested using different bolts. Nellist responded inviting Sheffer to stop and look and the quality for himself when he is in the area.

Old Business: On September 11, 2018, there will be a 2018 grant award reveal for the amphitheater. Nellist stated she has an appointment in Traverse City and will not be able to attend. Bradley said he may be able to attend.

The Rotary sign at Phoenix Park will be moved next to the Penchura sign, which is closer to the playground equipment.

Nellist is checking with Stu McDonald to get a quote for the cement patio in Phoenix Park. She is also doing some research on the cost of Plexiglas.

New Business: Nellist submitted a grant to Home Depot for \$2,297.67 for the cost of a shelter in the Park 27 dog park. The figure comes from an estimate obtained by Bradley from Home Depot.

There is a baseball tournament scheduled for September 15, 2018. It was suggested that the league check with the township on the cost to use the field.

Report from Friends: Adzigan reported that the Friends will be holding a spaghetti dinner sometime in October. The proceeds will go for portable lights for the ice rink and tennis courts. The Friends are also looking into the cost for a skate board/bike ramp.

Nellist and the committee thanked the Friends of Lyon Township for all of their help.
