OLD BUSINESS: Members of the board said they received positive feedback on the parade. There was a discussion on next year's parade, and the thinking was that the parade should always be the Saturday after the 4th. Next year the 4th is on a Wednesday. Since the pavilion at Park 27 is booked up for next year, there was a suggestion to have donuts and juice at Phoenix Park for participants in the parade after the parade was over. There was a discussion on what to throw from the float next year. Everyone was reminded whatever is thrown needs to be thrown behind the crowd so that people do not run into the road and get hurt. The board thanked Munoz for the music.

Tim sheffer was called regarding plans for the playground equipment in Phoenix Park and for a cost factor for a bigger size kit for the ice rink. Sheffer said he would get everything together in the next couple of weeks.

Munoz reported South Shore Veterinarian loved the bench at the dog park and will have a check ready.

NEW BUSINESS: There was a discussion on holding a wooden bat tournament on 18th and 19th and the 25th and 26th of August with country corners selling food.

Nellist said she is going to write a grant to the Rotary Club for playground equipment in Phoenix Park. She is waiting for a response from Sheffer on cost factors for the equipment.

The five-year plan has been given to the Planning Commission. They will review it at their next meeting.

Motion to adjourn by Munoz, seconded by Lis. All yeas. Motion passed.

The meeting adjourned at 6:58 p.m.
