Board Comments

Tatro: Working on Permit Fees – comparing to other townships, as well Inspector and Administrator pay comparison. Asked Board to try to limit copies and use more emails. Reminded everyone of holiday closure dates this month,

Schnell: Reminded everyone that Board meeting is scheduled for November 23 at 7:30 pm. Increase in ITRight contract for 2022

Grier: Taxes going out December 1st. Delinquent Taxes are going to be able to be paid online within the next couple of days. Down to only 5 people that are delinquent on their taxes. Short discussion on Maintenance personnel and hours over the Winter months.

Carlson: starting to see more support for the sewer project, and hopefully more to come.

Tomak: glad Tatro is looking at permit pricing. Should we look at a different company for BCBS? Was told that contractor are leaving compost gate open.

Public Comments: Tom Metcalf: stated a lot of townships are now charging a yearly contactor license fee for the trades, might be something to look into. Glad to see the township boards are moving forward with next steps in Sewer System. Dave Hall: thanked the board for their professionalism, organized and working together.

Motion by Tomak Supported Grier to adjourn meeting at 1:3 pm - Carried
