

**LYON TOWNSHIP, ROSCOMMON COUNTY**

**RESOLUTION 22-012 AUTHORIZING AN AMERICAN RESCUE PLAN ACT  
EXPENDITURE**

At a meeting of the Township Board of Lyon Township, Roscommon County, Michigan, held on the 21<sup>st</sup> day of December, 2022, at 7:30 p.m.

Present: Supervisor Maduri, Clerk Schnell, Trustee Carlson

Absent: Treasurer Grier, Trustee Tomak

The following resolution was offered by Member Carlson and supported by Member Maduri.

**WHEREAS**, the United States Congress passed the American Rescue Plan Act of 2021 (“ARPA” or the “Act”), which guaranteed direct relief to local governments in the United States in light of the onset of the Coronavirus;

**WHEREAS**, under its section 9901, the Act established the Federal Coronavirus Local Fiscal Recovery Fund (CLFRF) to provide substantial funding to local governments by either federal direct payments or state payments to non-entitlement units of local government;

**WHEREAS**, Lyon Township (the “Township”) has received a distribution of funds (“ARPA Funds”) through the CLFRF;

**WHEREAS**, the Final Rule adopted by the Department of Treasury provides that the Township may use ARPA Funds for the provision of government services up to the amount of the experienced revenue loss, whether that be the standard allowance amount or the amount calculated using the formula set forth in the Rule;

**WHEREAS**, generally, the Final Rule treats services traditionally provided by governments as “government services,” for purposes of the ARPA, unless Treasury has stated otherwise;

**WHEREAS**, in July of 2022, the Township had the publicly owned and operated tennis courts, located at 10635 N Harrison Rd., resurfaced. This resulted in costs totaling \$18,000;

**WHEREAS**, ARPA permits a recipient to use ARPA Funds for reimbursement expenditures as long as the cost was incurred for an eligible project on after March 3, 2021;

**WHEREAS**, the Township has elected to take the “standard allowance”, and presume that up to \$10 million, but not to exceed the Township’s award, in revenue has been lost due to the public emergency, for the provision of government services; and

**WHEREAS**, the Lyon Township Board has determined that the maintenance of the public tennis courts, that took place in July of 2022, in the judgment of the Board, qualifies as a permitted use of the ARPA Funds, in direct support of the provision of governmental services (the “Expenditure”); and

**WHEREAS**, the Township believes that it is in the best interest of the Township and its residents to approve the Expenditure and authorize the use of a portion of its ARPA funds.

***NOW, THEREFORE BE IT RESOLVED:***

1. Lyon Township elects to use the standard allowance and its presumption of revenue loss due to the public health emergency and to use the amount authorized herein to reimburse the Township for the provision of those government services described in the WHEREAS clauses, which are incorporated by reference.
2. The Lyon Township Board believes, in exercising its reasonable judgment, that the Expenditure meets the criteria in ARPA and the Final Rule, and is a permissible expenditure of ARPA Funds for the provision of government services.

3. The Township Board authorizes the Township Treasurer to make the Expenditure of \$18,000.00, which shall be paid for from the ARPA Funds in the amount identified herein.
4. No obligations paid under the authority of this Resolution were incurred prior to March 3, 2021.
5. The Township will amend its budget for this fiscal year consistent with the expenditure granted under this Resolution, to the extent necessary, and will budget accordingly for all future fiscal years while the Township continues to provide service to the public.
