**NEW BUSINESS:** None

**Public Correspondence:** email from Roscommon County Road Commission regarding road projects. Projects came in under Budget

**PUBLIC COMMENTS:** Sam Boodoian Jr. – Friends of Lyon Township is offering to help families in need. David Hobson – had brochures for the board concerning storm water run oof from Florida, congratulated the board on election, asked them to be independent thinkers. John Davis - congratulated the board on election, heard for months from opponents to sewer system this election was a chance for residents to have a say. Feels that the voters did have their say, and would encourage the board to continue to go forward with the sewer system. Hopes that opponents come to the table with positive thoughts and not negative. Timonhy Monet – a win is a win, but Roscommon County for decades only elects Republicans and that is why the challengers lost including Harry Johnson. Does not feel the election had anything to do with a referendum to go forward with the sewer.

**BOARD COMMENTS:**

**Supervisor Maduri:** thanked everyone for coming, was sworn in on Monday by Schnell, started jumping right into stuff. Wants to hear from the people on all subjects. Feels face to face or a phone call is better than social media where things can run amok.

Taxes have been sent to the printer and will go out December 1<sup>st</sup>. Reminded everyone that payments are now excepted online. Thanked everyone for their support in the election.

**Trustee Tomak:** Wreaths Across America is December 17<sup>th</sup> at noon at the cemetery if anyone would like to volunteer to help out. Friends of Lyon Township donated \$1000 to Amvets Post 13 to help pay for wreaths from pop can donations. Welcomed Maduri to the board, and thanked her supporters in the election. Joyce Bellolli is looking for anyone else that would like to join the Recreation Committee.
