

**Lyon Township**  
**Special Meeting Minutes**  
**June 27, 2023**

Meeting called to order: 10:00 am

Pledge of Allegiance recited

Roll Call of Board Members: Maduri, Schnell, Grier, Carlson – present, Tomak -absent, along with Attorney Steve Schultz and Steve King from CMDHD as well 12 members of the public.

Open discussion was held among board members with Schultz and King on proposed changes to the Septic Ordinance draft including phases, what the inspection consists of, and what will be approved for replacement or new construction. Schultz will make changes and should have ready in 2 weeks.

**PUBLIC COMMENTS:** Comments were all in favor of the ordinance and thanking the board for doing it. There were comments as well about the pros and cons of the proposed GLUA Sewer system. Comment was also said that Gerrish Township needs to do this too.

**BOARD COMMENTS:**

**Supervisor Maduri:** Thanked the board and the public, feels we are close to getting this implemented, wants to do our best to get the word out to the residents.

**Clerk Schnell:** As soon as draft is ready from Schultz, he will post it on the website. Thanked everyone for coming and for their comments, stated this has been a long process going back to December 2021 and at that time both Gerrish and Lyon Planning Commissions worked together on this, expects that Gerrish will be very interested in utilizing this to some affect.

**Treasurer Grier:** Thanked everyone for coming and felt this was very informative.

**Trustee Carlson:** Thanked everyone for coming, Asked if there was an update on where the State bill is at (King said still in discussion, but it doesn't appear that if it went through it would change our ordinance at all), Stated that it is a shame that the State or County hasn't stepped up on this issue in the past.

Motion by Carlson, supported by Maduri to adjourn the meeting. Yeas: 4 Nays: 0. Motion carried  
Time of Adjournment 12:01 pm
