#4 Swim area buoy's. All in favor of moving to winter meetings 4 Aye 0 opposed

#5 Add handicap accessible porta potty's to one or more parks. All in favor of moving to winter meetings 4 Aye 0 opposed

-Informational discussion on handicap accessible swing sets in the 5 year plan potentially not being the promised needed fix for current complaints at Samoset Park.

-Informational discussion on the current P&R budget status being undetermined until the ARPA money used to fix the compost road is proven to have been taken from the right fund. Ongoing.

-Discussion and review to finalize the 5 year plan survey questions and get it out by Nov 15<sup>th</sup> (we are on track for that)

-Informational discussion on an estimated delivery time for the ice rink liner at 2-4 weeks. Currently expected by the week of the 17<sup>th</sup>. It will take an army to set it up!!!

-Review discussion led by Amanda on other grant possibilities schedules and potential donors for additional funds for the fish sculpture if needed. Mr. Bertrand to call NuCraft for an update.

-Discussion on the potential for matching funds being available within the Twp. budget as presented and/or as potentially amended. Prospects are good.

-Discussion that we move forward with some potential pictures for the webpage. We can certainly change them one at a time now....scrolling pictures update on the webpage will have to be a Twp meeting agenda items as far as cost. On the agenda now.

-Discussion on upgrading multi use non-motorized trail at Park 27. Call Paul Olsen on liability. Liability wise we are maybe good. DNR wise we need a land use permit and are ok on liability.

Motion to adjourn the meeting by Wisnowski, seconded, meeting adjourned at 10:05
